- Tip: build in buffer time for island transfers and possible weather delays.
- Note: schedules, hours, and fares change. Confirm the latest official details before you go.

Kerama islands	Clear water, snorkeling, day trips by ferry
Miyako islands	Beaches, bridges between small islands
Yaeyama islands	Remote islands, nature, slower pace

- Tip: each island has its own character; pick a couple rather than rushing many.

Page 6 — Season-by-Season Guide

- Okinawa is subtropical. Pick activities to match your travel month, and check current conditions.

Season	General highlights	Plan-ahead notes
Spring	Mild, fewer crowds, early swimming	check water temps
Summer	Warm sea, peak beach season	hot & humid; typhoon season risk — watch forecasts
Autumn	Warm, gradually calmer	typhoons still possible — check latest
Winter	Cooler, quieter, sightseeing-focused	swimming limited; off-peak prices

- Reminder: typhoons can disrupt ferries and flights in some seasons. Always check latest and keep flexible plans.
