Kansai is Japan's cultural heartland: Kyoto for temples, gardens, and tradition; Osaka for nonstop food and energy. The two cities sit about 15 minutes apart by rapid train, so you can base yourself in one and day-trip easily.

How to use this planner:

- Follow the 5-day plan as-is, or mix and match the area pages.
- Use the budget tracker before and during your trip.
- Tick off the packing list the night before you fly.
- Keep the phrases page on your phone for quick reference.

Best base: Stay near a major station (Kyoto Station or Osaka/Namba/Umeda) for easy transfers.
